

flooding), san replacement would become a capital expense item and not a Direct Cost (as defined below).

F. Should OPERATOR fail, after thirty (30) days' notice from CITY of the need therefor, to perform its obligations under this section, CITY may enter upon the Premises and perform OPERATOR's obligations. Notwithstanding the preceding sentence, in the event of an emergency CITY may immediately enter upon the Premises without notice to OPERATOR to perform emergency maintenance, repairs and restoration. The cost of such maintenance, repairs and restoration constitute a Direct Cost as defined in Section 7.1A, and therefore will be included in that year's Direct Cost Budget.

5.5 Parking Lot Maintenance Services. OPERATOR shall provide regular (i.e., non-capital) parking lot maintenance services to Paradise Valley, including, but not limited to two sweepings per month, curb painting as required, replacing light bulbs, and irrigation and landscaping. As of the date of this Agreement, the CITY is negotiating to obtain certain rights in the Rancho Solano parking lot, and therefore in the future OPERATOR may be required to perform such services to the Rancho Solano parking lot as well. All costs of such parking lot maintenance will be included in the Direct Cost Budget.

5.6 Restroom Maintenance Services. OPERATOR shall maintain the restrooms on the Golf Courses in accordance with the Restroom Maintenance Standards attached hereto as Exhibit G. All costs of such restroom maintenance will be included in the Direct Cost Budget.

5.7 Purchase of Capital Equipment. The OPERATOR is authorized to secure capital equipment and replacements for the Golf Courses, and accordingly the CITY has determined that it is in the best interests of the CITY to suspend competitive bidding for the purchase of such capital equipment, provided that such purchases are approved by the Director. All costs of such capital equipment procurement or replacement will be Capital Expenditures subject to the budget process in Section 7.1E.

6.0 OPERATOR'S OPERATING RESPONSIBILITIES

6.1 Direct Cost Budget Submittal. The OPERATOR shall submit and obtain approval of the Direct Cost Budget for each Fiscal Year in accordance with Section 7.2.

6.2 Compliance with Laws. OPERATOR shall comply with all municipal ordinances and all state and federal laws and regulations applicable to the operation of the Premises. OPERATOR shall not knowingly permit any illegal activities to be conducted on or about the Premises. If any permits or licenses are required for an activity of OPERATOR under this Agreement, OPERATOR shall, with the assistance of the City, obtain all such required permits or licenses from the appropriate agency before undertaking the activity.

OPERATOR shall not assign all or any part of its rights or obligations under this Agreement without the prior written consent of Director, which consent may be withheld or conditioned in the reasonable discretion of the Director. Any change in the ownership or control of OPERATOR, including a transfer to an Affiliate, shall constitute an assignment for purposes of this Agreement.

7.0 COMPENSATION

Certain costs of operating and maintaining the Golf Courses shall be paid by OPERATOR from the Gross Revenues received and deposited in the Bank Accounts as described in Section 8.1 of this Agreement. The Gross Revenues deposited into the Bank Accounts are the property of the CITY and are not part of the consideration paid to the OPERATOR for the performance of OPERATOR's obligations under this Agreement.

7.1 Definitions.

A. Direct Costs. "Direct Costs" (each individually, a "Direct Cost") shall be those costs which are directly related to the resident staff, operation and maintenance of the Premises and which are established by the Direct Cost Budget, including the following:

1. Employee salaries and payroll expenses.
2. Employee benefits including vacation, sick leave, health insurance, disability insurance, worker's compensation insurance and incentive payments.
3. Lease and/or rental of equipment necessary for the operation of the Premises, ~~excluding~~ the golf carts and other equipment owned by the CITY. ²
4. Repair and maintenance of golf carts, irrigation systems and maintenance equipment.
5. Motor fuel, oil and lubricants.
6. Fertilizers, pesticides, chemicals and grounds maintenance supplies as described in Section 5.4 E. of this Agreement.
7. Uniforms, laundry and linens.
8. Operating supplies, office supplies cleaning supplies and other miscellaneous supplies.
9. Accounting and Audit services.
10. Advertising and marketing expenses.

TORO®

Groundsmaster® 4000-D/4010-D

WIDE AREA ROTARY MOWERS

FEATURES

Operator-friendly and smart by design.

With Smart Power™ technology, high engine torque and patented, HybridDrive™ cutting deck system, the Groundsmaster 4000-D and 4010-D deliver power where you need it most – to cut grass, no matter how tough the conditions. With their excellent trimming capability, you'll maneuver around obstacles with ease. Both mowers can mow a 0° uncut circle, allowing you to mow back and forth patterns without leaving any uncut grass. The patented, parallel hydraulic traction system maintains consistent hydraulic flow between the front and rear wheels to assure full time 4-wheel drive. This allows you to mow with confidence, even on hills and wet grass.
